

GRAND'ARTE

Chardonnay | Vinho Regional Lisboa | white 2014

Winemaker: José Neiva Correia
Country / Region: Portugal / Estremadura
Grape Varieties: Chardonnay 100%

Vinification method:

Destemming contact with skin contact. Cooled to 15°C, the must passes by a vacuum filter with perites. The fermentation is achieved through active dry yeasts, the temperature being controlled between 16°C and 18°C.

Winemaker tasting notes:

Very aromatic, fruity, rich, with a perfect acidity, who gives an excellent freshness and a pleasant and persistent end of tasting. João Paulo Martins; Vinhos de Portugal 2016; "Discreet aroma of the varietal but focused on green fruit, here combining a vegetable side with green apple aromas. Very round and soft acidity to allow fresh and tasty tasting, full of ripe fruit but elegant. It is a good example of the variety in a very consensual version because everyone will like. Do not expect to find here a white to compare with this or that region. This is from Lisbon and is very well done."

Serving suggestions:

To drink not too fresh, being a perfect aperitif, and the right match with fresh cheeses, seafood and all type of fish. We recommend to serve at the temperature of 8-10°C.

**DFJ Vinhos 2014
Grand'Arte
Chardonnay (Lisboa)**

Citrus and ripe yellow fruits weave harmoniously throughout this warm, rich wine. There is no wood, just generous fruitiness and acidity in a creamy texture. It is approachable now, although it will be better from 2016.
