Destemming, pelicular maceration and pressing. Cooled to 15°C, the must passes by a vacuum filter with perlites. The fermentation is achieved through active dry yeasts, the temperature being controlled between 16°C and 18°C.

Winemaker tasting notes:

Bright, perfumed, with notes of apple and red matured fruits, offering a delicious wine with an elegant and refreshing tasting. João Paulo Martins; Vinhos de Portugal 2016; "For sale in the domestic market but especially in Madeira and the Azores. The production is around 300,000 bottles. Very light salmon color, simple aroma with light notes of strawberry and blackcurrant, discreet but fine. Very balanced in the mouth, light residual sweetness makes it easy to taste. Good acidity well refreshing. A good wine for the terrace or pasta dishes and salad at the table."

Serving suggestions:

Wonderful as aperitif and very good complement of salads, dishes with vinegar, soups, pasta, sushi, and all the vegetarian and spiced gastronomes such as Mexican, Indian, Chinese and Thai. We recommend to serve at the temperature of 8-10°C.

DFJ Vinhos 2016 Portada Winemaker's Selection Rosé (Lisboa)

A blend of Pinot Noir and Touriga Nacional, this is a smoothly ripe wine. Its cherry and spice flavors are given just a hint of structure built by a tannic edge. This soft juicy wine is ready to drink.
