RESERVA | Alicante Bouschet

Alicante Bouschet | Vinho Regional Lisboa | red 2017

Winemaker: José Neiva Correia
Country/ Region: Portugal/ Lisboa
Terroir: Quinta de Porto Franco / Alenquer
Grape Varieties: Alicante Bouschet 100%

Vinification method:

Classic fermentation method with destemming and pre fermentative skin contact followed of the application of dry yeasts. Fermentation up to 30° C in the first 2/3, and lowering down to 20° C during the last 1/3. During the whole fermentative process, pumping over 2 times per day, using each time half of the volume contained in the vat.

After the alcoholic fermentation, the cap is plunged for 30 days, and during that period, extraction of the gentle tannins is conducted, along with the malolactic fermentation and the natural stabilization of the wine.

Winemaker tasting notes:

Very deep purple crimson. Aroma to ripe blackberry, plum, damson and cassis, spice too. Full black body, velvety texture, ample black fruits, good freshness and spice too. Very tasty, delicious, elegant with a long and intense end of tasting.

Serving suggestions:

A pleasure as a strong aperitif, great with red meat, big beef steaks, mushroom risotto, pasta, vegetarian, curry and other spicy food and dry cheese dishes. We recommend to serve at the temperature of 16 -18°C. We recommend as well with omega 3 fishes, grilled sardines, salmon and cod fish at the temperature of 14 - 16°C.

 Reserva Alicante
 Bouschet (Lisboa)

This rich, dense wine is powered by dark black fruits and ripe tannins. It exudes structure and concentration, with big blackberry fruits that keep freshness very much upfront. Drink now.
