#### Vinification method:

Classic fermentation method with destemming and pre fermentative skin contact followed of the application of dry yeasts and fermentation up to 30° C in the first 2/3, and lowering down to 20° C during the last 1/3. During the whole fermentative process, pumping over 2 times per day, using each time half of the volume contained in the vat.

After the alcoholic fermentation, the cap is plunged for 30 days, and during that period, extraction of the gentle tannins is conducted, along with the malolactic fermentation and the natural stabilization of the wine.

Wine is aged in French of Allier oak barrels of 225 Lt for 3 months.

#### Winemaker tasting notes:

Bright ruby color, this wine is full of character and flavor. The palate shows delicious ripe but mature fruit with distinctive forest fruit aromas and hint of oak-spice cassis. It has a smooth, full body with a good firm structure and very persistent, elegant soft finish.

#### Serving suggestions:

On the lean, mineral side, this is a firm, extracted wine. It has a dry core that is masking the hints of juicy berry fruits. Give the wine a year to allow it to soften and drink from 2016.
